## Arts

The PVCSD has a rich tradition in both the performing and visual arts. All three campuses offer classes in choral and instrumental music, and the High School also offers courses in music theory. There are bands and choruses at all three schools, and each building's students perform musical and dramatic offerings throughout the academic year. The High School features a Concert Band, Wind Ensemble, Jazz Workshop, Chorus, and Mixed Choir. Our students have competed at band competitions locally and regionally, and the Mixed Choir has performed internationally.

The Putnam Valley Music Association is a group of parents, teachers, and community members who support the music program in Putnam Valley. The PVMA was instrumental in bringing the Tri-M Music Honor Society to our District, and supports scholarships and programs that enhance the music education of our students.

The Elementary and Middle School art programs offer rich and varied exposure to visual arts in drawing, painting, and 3-dimensional artwork. The High School offers a complete array of art courses including sculpture, printmaking, and photography. Putnam Valley students regularly exhibit—and win prizes—in local art exhibits at the Garrison Art Center, The Putnam Arts Center, and the Katonah Museum. Exhibits of student artwork have also appeared at the Putnam Valley Library, Putnam Valley Town Hall, and other local venues.

## Athletics

The PVCSD takes pride in its sports programs. In addition to emphasizing exercise, fitness, and nutrition through our PE classes at all grade levels, Health classes in both the Middle and the High School teach about health and safety issues specific to pre-teens and teenagers. We have a full array of both intramural and inter-scholastic sports offerings and have won a State Championship in Field Hockey and Sectional Championships in Lacrosse and Softball.

## Board of Education

The Putnam Valley Board of Education meets twice each month—once for a Business Meeting and once for a Work Session. Meetings are held at 7 pm in the PVHS Cafeteria, unless otherwise announced. See individual months for specific meeting dates. Our current roster of Board Members is as follows:

## Communications

The centerpiece of our District-wide communications program is our web site at [www.pvcسد.org](http://www.pvcسد.org). The web site features access to a wide array of information and news. It includes dedicated web pages for each of our three school buildings, with links to individual teacher pages; a complete list of District contacts; a calendar link; updated news articles and new calendar items; and links to District organizations such as the PTA, PTSA, the Education Foundation, and many other groups and programs.

The PVCSD publishes a quarterly newsletter, *Spotlight on Putnam Valley Schools*, for all community members and sends out periodic mailings on District issues as required by law. Superintendent Gary Tutty publishes a periodic email newsletter entitled *The Superintendent's eCorner*. A link to this newsletter is also available on the District web site. A new development in 2006 is our *Key Communicators program* in which email news is sent to targeted members of the greater Putnam Valley community so that residents can have access to information on new developments in our District.

Our PTA and PTSA provide an invaluable communications service by maintaining extensive email lists of parents, teachers, staff, and other interested community members. Dedicated volunteers make sure that email news is sent out periodically.

## District Groups

**The Putnam Valley Health Advisory Council [HAC]**, a community organization of parents, teachers, students, administrators, law enforcement, recreation and healthcare professionals, and other community members, has a 13-year history of supporting and implementing programs that enhance the health and safety of all the students and families of the Putnam Valley Central School District. The HAC meets monthly, year-round, at Putnam Valley Middle School, and is funded primarily through outside grants from various agencies. Interested community and District volunteers are welcome. For more information contact Mrs. Pam Darreff, HAC Chair, at [pdarreff@pvcsd.org](mailto:pdarreff@pvcsd.org) or 845-528-8101, extension 2219.

**The Putnam Valley Education Foundation (PVEF)**, established in 2003, raises funds for innovative programs for the students of the PVCSD. We also strive to assist in creating a sense of community within Putnam Valley. Money presently comes from member donations, fund-raising events, and local businesses. We are actively pursuing corporate grants and pledges. All funds are independent of the District budget. Grants are available to educators, students and parents through an application process. The Foundation Board evaluates the proposals and allocates funds. The PVEF's mission is to generate funds to support innovative programs which are beyond the scope of our District's budget. Through the collaborative efforts of students, parents, teachers, administrators and the community, we can enhance the educational experiences of our students.

**The Putnam Valley Music Association (PVMA)** is an organization of parents and educators who want to foster the best possible music education for Putnam Valley students. Launched by the music educators in grades K through 12, the Music Association's goals are numerous and varied. To date, the PVMA has created music awards for graduating high school seniors and supported the creation of the Tri-M Music Honor Society. In the future, the group will sponsor more music-related activities for students, offer workshops on college admissions for students pursuing the performing arts and issue a regular newsletter highlighting musical happenings and student accomplishments. Come join us! For more information email us at [musicassoc@pvcsd.org](mailto:musicassoc@pvcsd.org). Please contact Lisa and Kevin Kroohs (845-528-2496) if you are interested in helping out with Hospitality at any of the band/chorus concerts at the Elementary, Middle or High School.

## School Closing & Emergency Procedures

### School Closing and Delayed Opening Procedures:

There may be days when school will be closed because of heavy snow or other unusual hazards brought on by weather conditions. When it becomes necessary to close schools, announcement will be made on the radio stations. Generally the decision to delay or cancel schools is made by 5:15 am. Sometimes during the winter months the situation arises that the weather is not severe enough to close schools, but the roads are such that the school buses experience difficulties and delays. These delays will be announced on radio stations. It is the parents' responsibility to listen to their local radio station for such announcements.

For School Closings / Delays Information, tune to one of the following radio stations: WGNY 103.1 FM / WEOK-WPDH 1390 AM / WLNA 1420 AM / OR one of the following TV stations: WRNN-TV62 OR News 12.

### Emergency and Evacuation Procedures:

How Would You Know There Is An Emergency? Special sirens have been installed by Putnam and Westchester Counties to alert you to an emergency. The sirens are loud, high pitched alarms that sound for 3-5 minutes without interruption. In areas where sirens may not be heard, police car public address systems or "single station alert" radios are used.

If you hear the sirens, turn on your radio or TV to one of the Emergency Alert System (EAS) stations listed here. You should take only the actions advised in these official EAS messages. WFAN 660 AM / WABC 770 AM / WCBS 880 AM / WRJL 910 AM / WGNY 1200 AM / WFAS 1230 AM / WLIR 1300 AM / WALL 1340 AM / WLNA 1420 AM / WRRV 92.7 FM / WQXR 96.3 FM / WHUD 100.7 FM / WNEW 102.7 FM / WGNY 103.1 FM / WFAS 103.9 FM / WAXB 105.5 FM / WZZN 106.3 FM / WYNY 107.1 FM / WCBS TV Ch 2 / WNBC TV Ch 4.

What Would You Be Asked to Do? In order to give you the greatest degree of protection, instructions would be given by County or State officials based on their consideration of all factors. You might be advised to: Stay indoors. If the people in your area are advised to stay indoors, go inside the nearest building and limit ways that air gets into the building (close windows and doors, turn off air conditioners, etc.) Or leave the area. If people in your area are advised to leave temporarily, take personal belongings and travel by announced designated routes to leave the area.

Where Would You Get Assistance? If residents in your area are advised to leave their homes, you should go to the home of a friend or relative outside the emergency zone, or to a public Reception Center. The evacuation route you travel to leave the area will determine which Reception Center you should go to. For the location of Reception Centers, and for non-emergency questions and general information concerning these preparations, call the toll-free county number during business hours, Mon-Fri: Putnam County Office of Emergency Management, 40 Gleneida Avenue, Carmel, NY 10512: 1-800-932-1457.

If Schools are Evacuated, Where Will the Children Go? Putnam Valley's Plan calls for Putnam Valley students from all schools (ES, MS and HS) to be transported by our school buses to Kent Primary School on Route 32 in the Town of Kent. Who Will Accompany Them? School personnel will travel with them and stay with them until they receive further instructions from County or State officials, or the children are picked up by their family.

The membership on the committee includes the parents of the student, a general education teacher, a special education teacher, a related service provider (when appropriate), a school psychologist (when appropriate), a parent member, a representative of the school District and the student when appropriate.

Referrals: A student having difficulty in school will be brought to the attention of the Instructional Support Team (IST) for review. If the team, after trying to assist the student, suspects a disability, they will make a referral in writing to the Committee on Special Education. In addition, if a parent suspects a disability, then they may refer a student to the CSE for an evaluation. Referrals should be in writing to the school building administrator.

Committee on Preschool Special Education (CPSE): The PVCSD provides preschool programs and services for children with special needs. Parents of preschool children between three and five years of age may contact the CPSE if they have concerns about their child's social, language, speech, motor, or cognitive development. For further information call the Office of Special Education & Student Services at 845-528-8130.

## Technology Plan

The Putnam Valley School District's Technology Committee has developed a technology plan for 2006-2009 that builds upon past technology plans and promotes technology use throughout the Putnam Valley School District community in an effective, efficient fashion to enhance learning. The plan builds upon the District's mission to use technology to enrich learning in our daily school programs and to prepare Putnam Valley students for postsecondary education and the workplace. Specific recommendations provide for:

- ✓ Increased Student Achievement;
- ✓ Equitable access to District technology;
- ✓ Ongoing staff development;
- ✓ Community participation and opportunities to benefit from new technology communication structures; and,
- ✓ Assessment strategies for technology programs

The Technology Plan is designed to serve as a living document. As such, annual reviews and modifications in the Technology Plan are important if it is to be implemented effectively. One way of assuring this is to evaluate technology related staffing continually to make the most effective and strategic use of these resources.

## Transportation

### Bus Conduct:

The following is a list of rules for safe bus riding which we expect all students to understand and follow:

3. Maintain reasonable quiet on the school bus. Enter in an orderly way without pushing.
4. Choose a seat quickly and remain seated until the bus reaches school or home.
5. Follow the directions of the bus driver. He/she is in charge at all times. Remain in your seat while the bus is in motion.
6. Help to keep the bus clean. It is part of our environment.
7. Always keep your head and arms inside the bus.
8. Never throw anything from the window of the bus.
9. Be courteous to your driver and other passengers.
10. Leaving the bus:
  - a. Be alert to traffic as you get off the bus.
  - b. Wait for the driver's signal when crossing.
  - c. Walk far enough in front of the bus so the driver can see you.

## Wellness Policy

Overview: Section 204 of the federal Child Nutrition and Women, Infants and Children Reauthorization Act of 2004 [Public Law 108.265] requires that each Local Educational Agency [LEA] participating in the National School Lunch Program, School Breakfast Program, Special Milk Program, and Summer Food Service Program establishes a Local Wellness Policy [LWP] for schools under the LEA.

The New York State Education Department [NYSED] has established the following components of a sound LWP:

- ✓ Establishment of goals for nutrition education, physical activity, and other school-based activities that are designed to promote student wellness;
- ✓ Nutrition guidelines for all foods that are available on each school campus during the school day, with the objectives of promoting student health and reducing childhood obesity;

- ✓ Assurance that guidelines for reimbursable school meals shall not be less restrictive than regulations and guidance issued by the federal government;
- ✓ Establishment of a plan for measuring implementation of the LWP, including designation of one or more persons within the LEA or at each school, as appropriate, charged with operational responsibility for ensuring that the school meets the LPW; and
- ✓ Involvement of parents, students, representative of the school food authority, the school board, school administrators, and the public in the development of the LWP.

The Putnam Valley Health Advisory Council [HAC], a community organization of parents, teachers, students, administrators, law enforcement, recreation and healthcare professionals, and other community members, has a 12-year history of supporting and implementing programs that enhance the health and safety of all the students and families of the Putnam Valley Central School District [PVCSD]. The HAC has taken an active role (in concert with the Putnam Valley Board of Education) in developing this policy and will also remain active in implementing it and revising it annually to reflect the developing needs of our constituents.

We hope you will enjoy your Putnam Valley Central School District Calendar. This is our fifth year of producing this calendar, and we have made every effort to ensure its accuracy. As occurs with all vital community organizations, we know that there will be some unavoidable changes to the dates and times shown in this calendar.

We will do our very best to give you ample notice of these changes as they occur. However, we hope you will realize that some last-minute changes are inevitable.

Thank you for your continued support of the Putnam Valley Central School District.
